Sum of documents_registered_rev by district

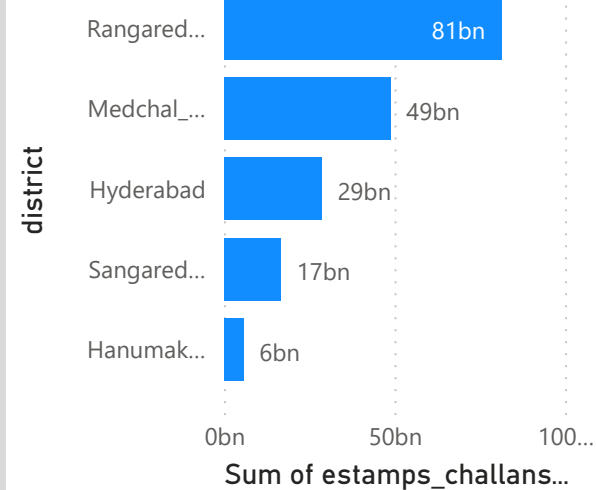

Sum of documents_registered_rev by district

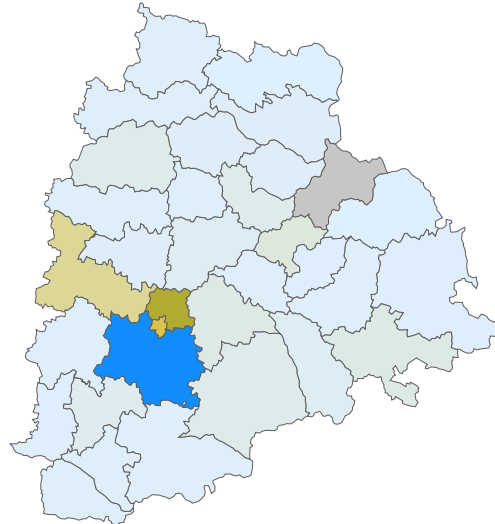

revenue growth for 2109-22 by district

Sum of estamps_challans_rev by district

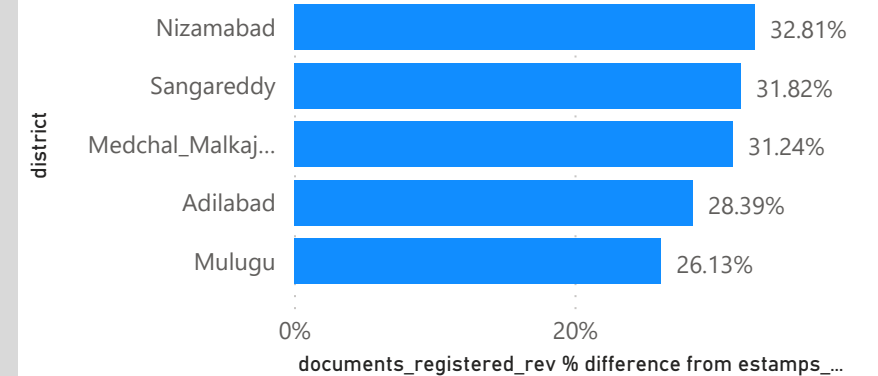

Sum of estamps_challans_rev by district

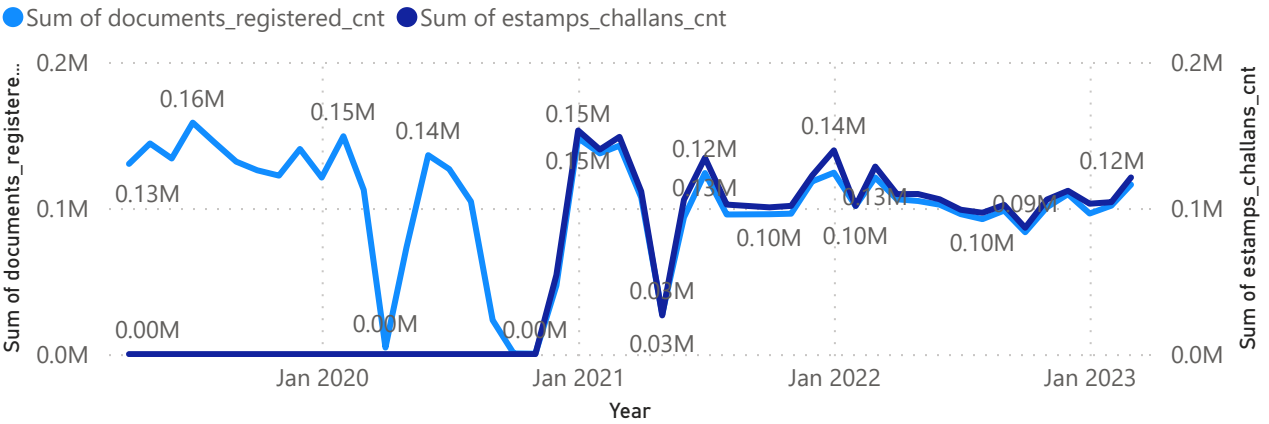

Top 5 districts where estamps revenue contribution is more than registered document revenue (down to up)

documents_registered_rev % difference from estamps_challans_rev by district

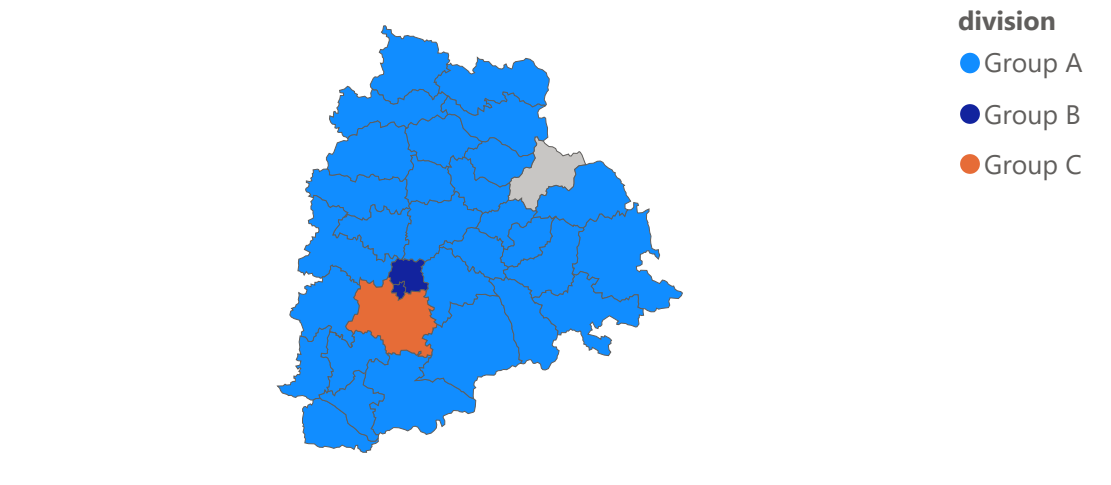

Sum of documents_registered_cnt and Sum of estamps_challans_cnt by Year, Quarter, Month and Day

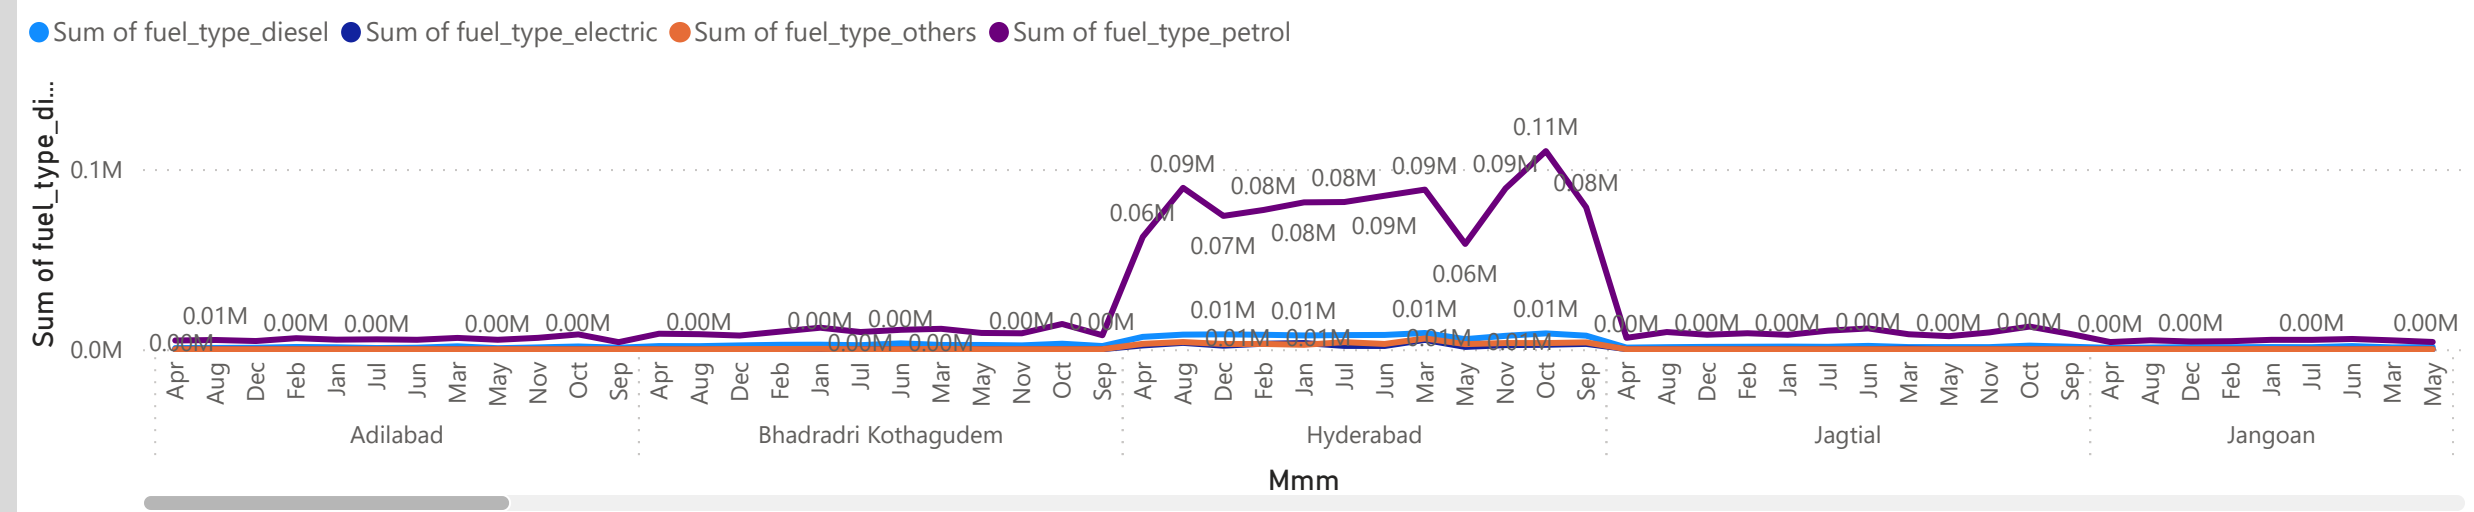

As we can see there is no such alteration between the patterns registered document count and e-stamps challan count since the implementation of e-stamps challan.

Sum of R rev by district and division

Divisions of districts by revenue generated with document registration of Telangana State.(Group A:43538381-9918756399,Group B:9918756399-19793974417,Grouo C:19793974417-onwards)

Sum of fuel_type_diesel, Sum of fuel_type_electric, Sum of fuel_type_others and Sum of fuel_type_petrol by district and Mmm

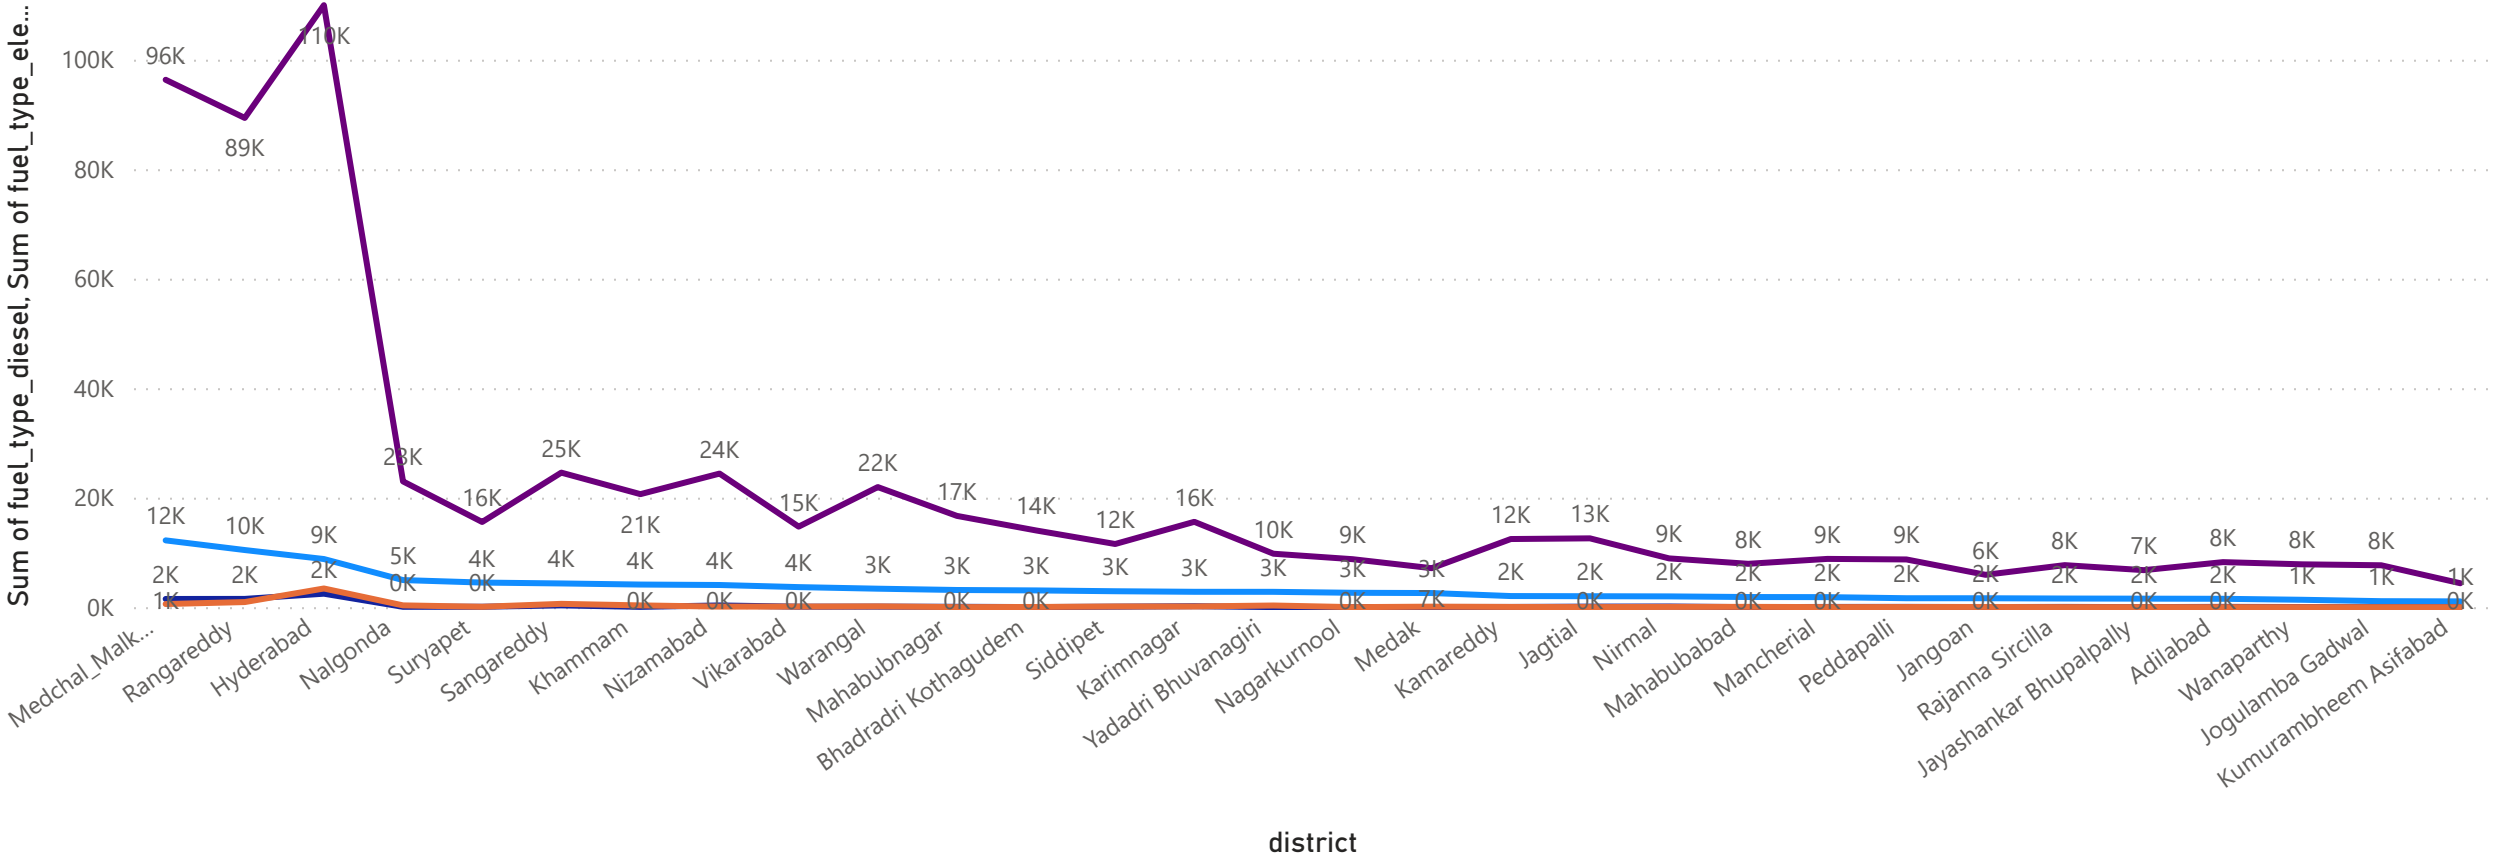

Month

January	March	May	July	September	November
February	April	June	August	October	December

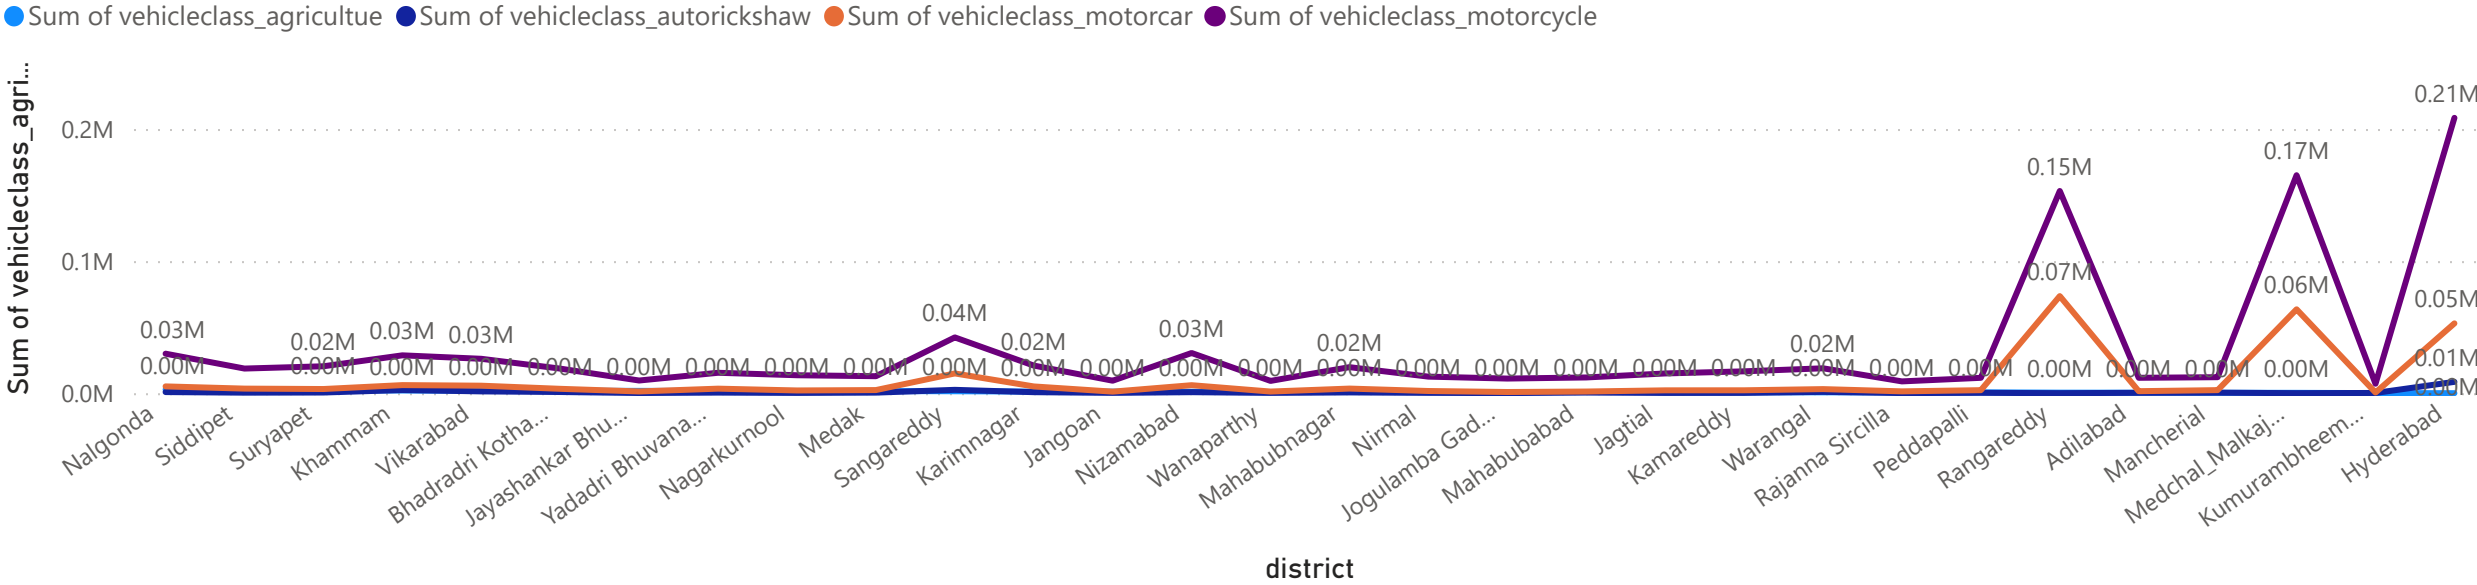

Sum of fuel_type_diesel, Sum of fuel_type_electric, Sum of fuel_type_others and Sum of fuel_type_petrol by district

Sum of fuel_type_diesel Sum of fuel_type_electric Sum of fuel_type_others Sum of fuel_type_petrol

AS we can see from the line chart that the month of April and May has less sales than the regular sales in different districts and the month of October has significantly more sales than the various districts.

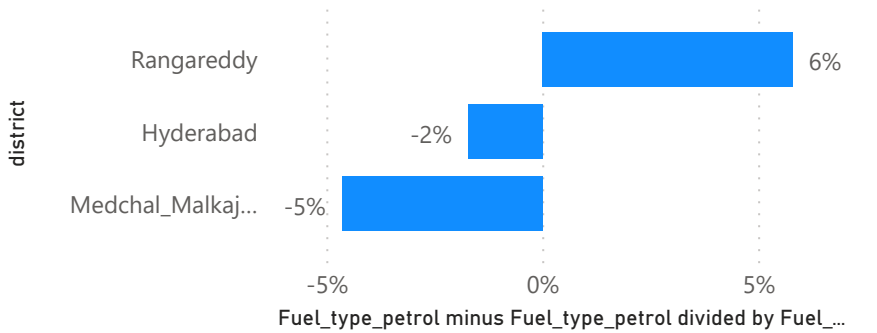

Sum of vehicleclass_agricultue, Sum of vehicleclass_autorickshaw, Sum of vehicleclass_motorcar and Sum of vehicleclass_motorcycle by district

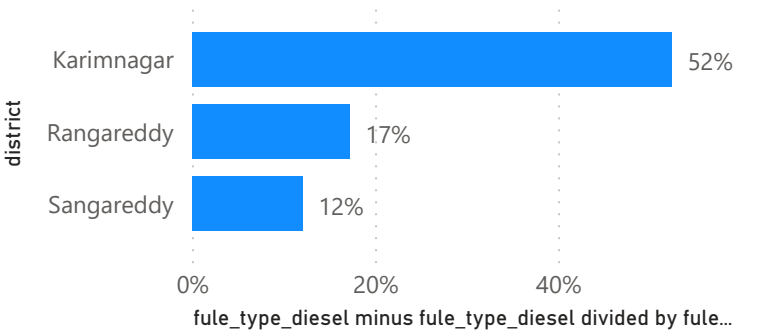

From the above line chart we can see that states like Rangareddy, Medchal Malkajgiri and Hyderabad has preference to Motor-Cycle class vehicles over others according to FY 2022 Data

Top 3 districts that have shown the highest vehicles sale growth during FY 2022 compared to FY 2021 for vehicle type petrol, diesel and electric respectively.

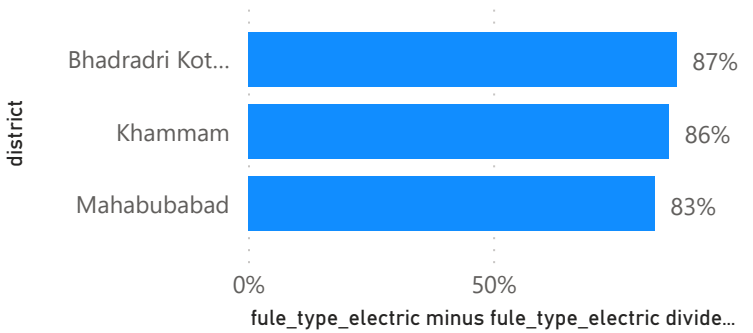

Fuel_type_petrol minus Fuel_type_petrol divided by Fuel_type_petrol by district

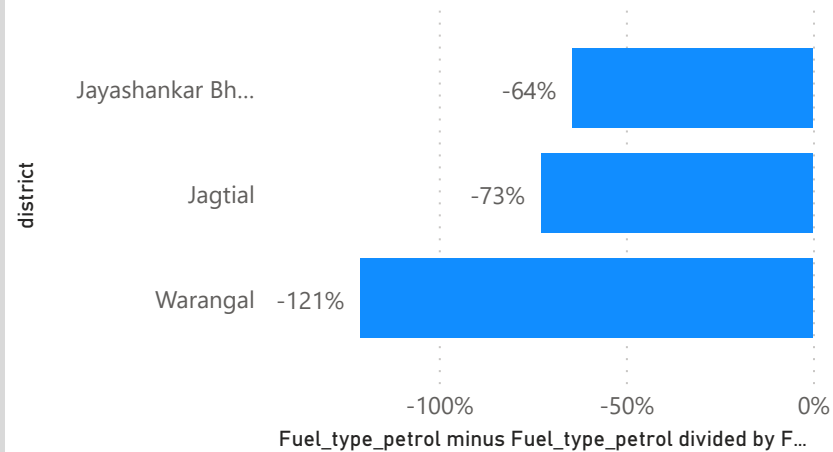

fule_type_diesel minus fule_type_diesel divided by fule_type_diesel by district

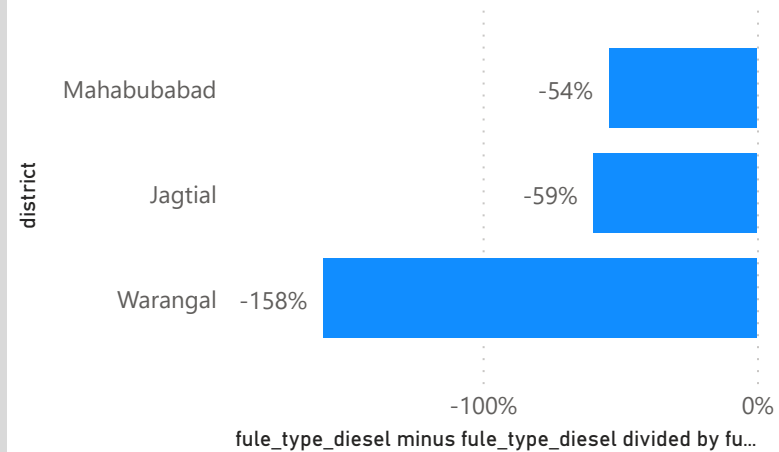

fule_type_electric minus fule_type_electric divided by fule_type_electric by district

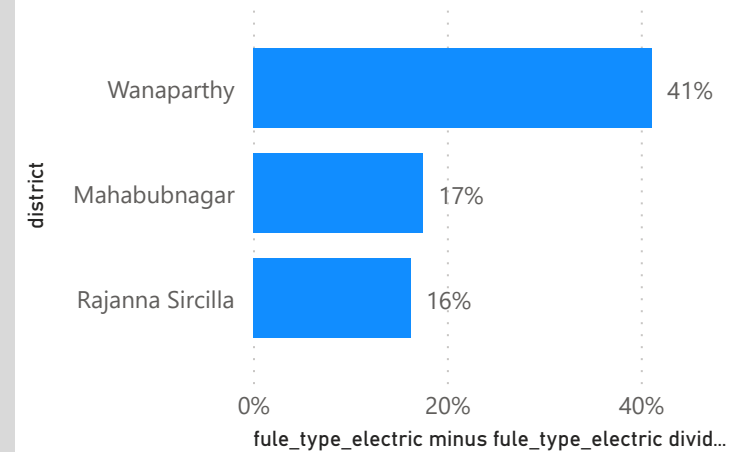

Fuel_type_petrol minus Fuel_type_petrol divided by Fuel_type_petrol by district

fule_type_diesel minus fule_type_diesel divided by fule_type_diesel by district

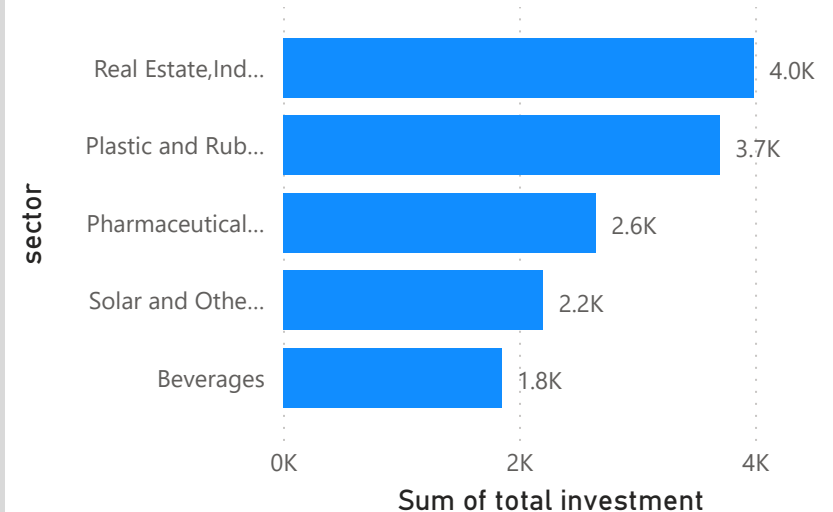

fule_type_electric minus fule_type_electric divided by fule_type_electric by district

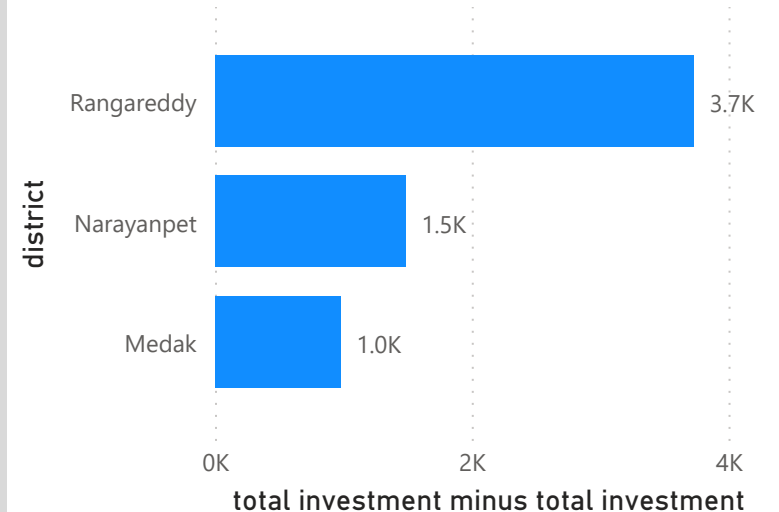

Bottom 3 districts that have shown the lowest vehicles sales growth during the FY 2022 compared to FY 2021

Sum of total investment by sector

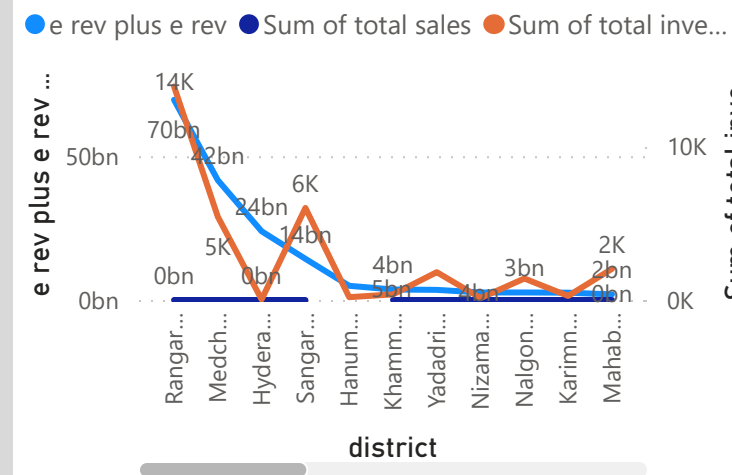

Top 5 sectors who witnessed the most significant investment in FY 2022

total investment minus total investment by district

Top 3 districts who have attracted the most significant sector investment during the FY 2019-2022

e rev plus e rev, Sum of total sales and Sum of total investment by district

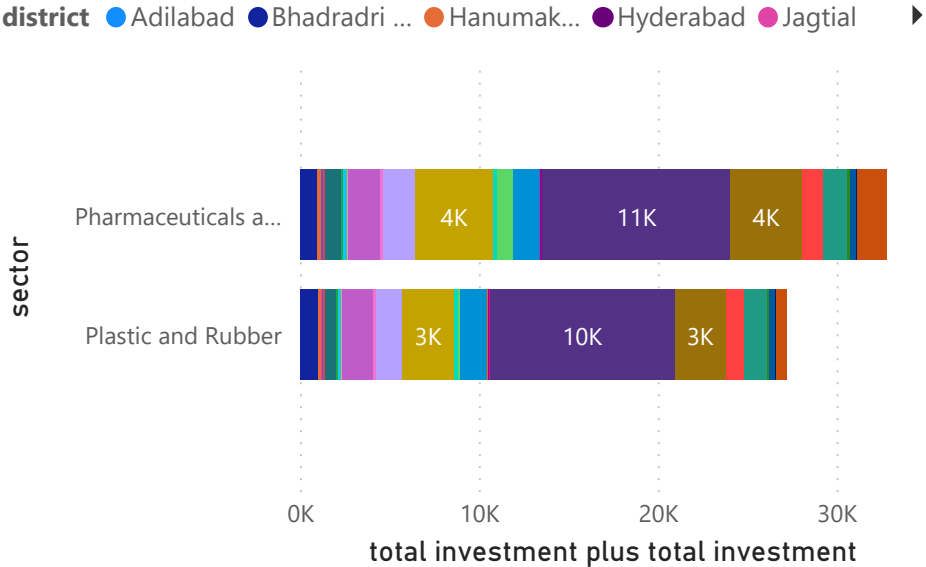

This line chart shows the relation between sales of vehicle(fuel-type),stamp challan and investment in different districts

Sectors like Pharmaceuticals and chemicals, Plastics and Rubbers have shown substantially high investment in multiple districts

This matrix shows the relation between the seasonal investment in different districts using the dropdown slicer for year/season/day filter

total investment plus total investment by sector and district

month
